

SPIRIT BEARS

In December of 2006, the District of Houston partnered with Canadian Forest Products Ltd. (CANFOR) and participated in an auction to benefit the 2010 Olympics, Tourism and the Lions Society. We are very pleased to announce the purchase of two spirit bear statues, each designed by different artists.

One of the bears is "Spirit Moon" painted by Marie Labonte and sponsored by Ruffle & Brown Interiors

and the second bear is "Peace and Harmony" painted by Tine Andriessen and sponsored by Lions 191-2.

Both bears are majestic and beautiful. *Spirit Moon* is on display outside at the Houston Leisure Facility and *Peace and Harmony* is on display outside at the Municipal Office.
